

What can you expect
from
ELEVATION?

Elevation is a basketball camp for boys and girls from Kindergarten through 12th grade. "For this reason, since the day we heard about you, we have not stopped praying for you and asking God to fill you with the knowledge of His will through all spiritual wisdom and understanding. And we pray this in order that you may live a life worthy of the Lord and may please him in every way:" Colossians 1:9-10

Taking a look at the Warrior basketball team this last year you will see successes. Some on the floor, a lot off the floor. We believe that a dedication to prayer and a healthy spiritual life contribute to the success of the programs that we participate in. Much like Paul encouraged the Colossians to pray and please God in every way, Oshkosh Christian School/Valley Christian High School is dedicated to planting seeds in our world so that from them grow great pillars of Christian morals and values.

Four Reasons for prayer.:

- It is a great privilege. One on One with the BIG guy, nothing better.
- Because we are in battle. The evil one fights with us every day, why let him?
- Prayer is a deterrent to sin. God allows us to see us for who we are and get better for it.
- Prayer makes a difference. When we pray things change and hearts are healed.

So while Elevation basketball camp will prove to provide your camper with a variety of tools for on the court, you can expect that he/she will get touched on the inside as well.
